CARROM COMPANY | Manufactured in Ludington, MI | www.carrom.com | (231) 845-1263
There is some dispute over who made the first foosball table - but make no mistake - CARROM® Quality Foosball Tables will serve you well for many (MANY!) well-fought matches.

A CARROM® Foosball Table is designed to stand the test of time for durability and play value in your family home with unsurpassed CARROM® quality. The reinforced play surface ensures a flat field for consistent ball roll without the warping effect of games made with lesser grade materials. The table legs are reinforced with double bolting, and include chrome support bars and leg levelers to ensure a level field and eliminate dead zones for maximum stability and durability. Superior quality triple chrome-plated steel rods paired with stay-true rod bearings increase response speed and provide self-lubrication with long lasting durability. CARROM® quality design and furniture grade components set this American-made premium foosball table apart as a handsome and inviting addition to any living environment. It even includes built-in cup holders as corner covers!

FEATURES & SPECIFICATIONS
CABINET: Sides are 1” thick with Agean Fresco colored laminate
PLAY SURFACE: 3/8” thick with wear resistant screen printed graphics
LEGS: Heavy miter-fold black vinyl with triple chrome plated leg levelers, 2” leg supports
PLAYERS: One set of premium counter balanced players with cross-hatch toe design for superior control
MISCELLANEOUS: One or three goalie play, decided during game set-up, corner ramps are included for single goalie assembly, wood bead scoring in natural and black, eight-sided hardwood handles allow for precise player control

GAME SIZE
LENGTH: 55”
WIDTH: 29”
WIDTH WITH LONGEST ROD PROTRUDING: 50.3125”
HEIGHT: 36”
WEIGHT: 167 lbs.

CLASSIC DESIGN, PROFESSIONAL PERFORMANCE

All the bells and whistles of a professional hockey table without the price tag. Furniture grade con-
struction, cold pressed play surface, heavy miter-fold black vinyl coated legs and a UL-approved high
output electric motor with 100-cubic feet per minute air output make this table a must-have for your
game room.

FEATURES & SPECIFICATIONS
MISCELLANEOUS: Triple chrome-plated leg levelers for easy and accurate leveling, heavy 2” triple chrome
plated leg supports, and aluminum side rails generate fast rebound play and superior shot control. Plastic puck
catcher designed for quick puck return
PLAY SURFACE: Over 1” thick, made with cold press manufacturing to maintain a flat field surface and features
multi-colored graphics protected by high pressure laminate for superior wear resistance
IN THE BOX: Two pucks and two controller styles for beginner to advanced players
