## SKITTLES PLAYING INSTRUCTIONS

**OBJECT OF THE GAME:** To spin the eccentric Top so that it will bowl over the pins for a score based on the number shown in the circle.

**INSTRUCTIONS:** Set the pins on the scoring circles located on the play surface. Wind the twine around the bottom stem of the Spin Top, starting from the top and working down. Place the Top against the inside of the end board, with the free end of the twine passing outside through the hole.

Lightly hold the upper stem of the Spin Top in position with the first two fingers of your hand, which rests over the top of the end board. With your other hand, pull sharply on the twine to set the Top spinning. Pull smoothly and at a horizontal plane.
